

Easter Landscaping Checklist

1. Set Your Budget

- *Decide total spend*
- *Allocate 50% plants, 30% soil/pots/mulch, 20% decor*

2. Plan Your Spaces

- *Measure yard/balcony/townhouse space*
- *Identify sunlight pattern*
- *Choose design style (native, tropical, minimalist)*

3. Select Plants

- *3-5 feature plants*
- *Native, low-water, wind-tolerant or shade plants as needed*

4. Prepare Materials

- *Soil and potting mix*
- *Mulch*
- *Lightweight pots for balconies*
- *Vertical garden frames*

5. Installation Steps

- *Position large pots first*
- *Add layers or vertical elements*
- *Ensure drainage is adequate*
- *Mulch to retain moisture*

6. Avoid These Mistakes

- *Overcrowding plants*
- *Overwatering balconies*
- *Buying oversized pots for small spaces*
- *Choosing invasive or fast-spreading plants*

7. Maintenance Plan

- *Watering schedule*
- *Fertilising every 6-8 weeks*
- *Seasonal pruning*

Notes:
